

A Good Time on the Hill Top

A very pleasant afternoon was enjoyed on Tuesday by the baby friends of Maurice and Margaret Toms, when 18 babies and their friends met to celebrate the birthday of the twins.

A prize was offered for the baby weighing the most in proportion to its age and, after due calculation, a gold ring was awarded by Rev. G. S. Jones, the uncle of the twins, to little Miss Pauline Reads. Master Leon Staton won the booby prize, a little Bavarian plate, for weighing the least in proportion to his age.

When the doors of the spacious dining room were thrown open to the guests, a beautiful picture was presented. The long table decorated with silver-candlebrams and flowers, with the tiny host sitting at one end and the little hostess at the other, and in front of each was a birthday cake on a silver stand, ornamented with apple blossoms and a single red candle. The centre piece was formed by a tall crystal vase filled with apple blossoms, and in a ring at the base were the souvenirs of the occasion, Easter chickens and ducks filled with candy which were presented to the little guests.

A side table in the room was

fairly loaded with pretty gifts to the twins, among them handsome gold baby pins, silver spoons and a gold locket and chain for the little girl.

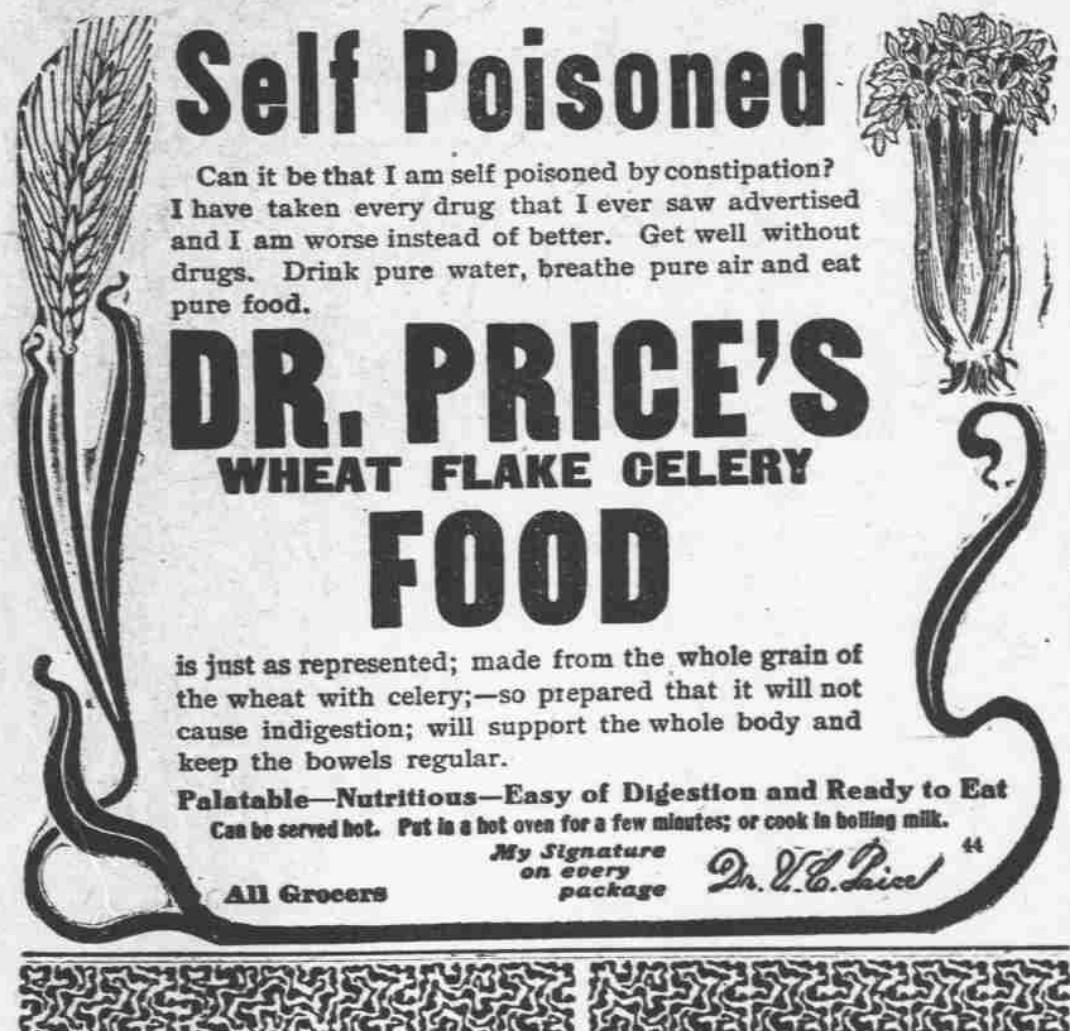

When kodak pictures were taken of the crowd of merry youngsters, and the time for good-byes came, everyone agreed that a most enjoyable afternoon had been spent and all wished a long and useful life to the twins.

Messrs Pink and Pierce Byers, of South Dakota, arrived here Wednesday morning. They came to visit their mother, Mrs. Sallie Earwood, of the Clear Creek section, who is seriously ill.

Chas. E. Pless is now agent for the Cochrane Show case co., of Charlotte, the firm which has just secured the contract for the Citizens Bank fixtures.

Rev. Dr. Miller of this city delivered a most excellent discourse to an appreciative audience at the Baptist church last Sunday morning. It is always a pleasure to hear this noted Bible Student.
